CUPE Council Special Delegate Update and Meeting

SSM and District CUPE Council has been placed under administration due to vacancies on the Executive Board and the need to ensure that the work of the Council continues to be done.

CUPE is reaching out to all the Locals serviced out of the SSM Area Office to find those members who would be interested in rejuvenating the SSM and District CUPE Council.

From planning events to rallies, supporting Locals in their struggles, to finding ways to bring the CUPE Locals in SSM together, if this is something that interests you, then a position on SSM and District CUPE Council may work for you.

CUPE National provides financial support for the events and our office can also assist with guidance and support.

If you are interested in knowing more, please plan to attend a very important meeting to discuss this further.

Date: Thursday, January 30th, 2020

Time: 600 pm – 730 pm
